

# **PRESS RELEASE**

## ***OCTOBER FUNDRAISER 10th Annual MMBA Food Drive***

North Branch Liquors, in partnership with Miller/Coors and the Minnesota Municipal Beverage Association (MMBA), is participating in the 10th Annual MMBA Food Drive for the entire month of October 2017. This effort generated over 100 tons of food donations for Minnesota food shelves in 2016 between all the participating municipal liquor stores throughout the state combined!

All donations brought to North Branch Liquors will benefit our local food shelf:

### **Family Pathways North Branch Food Pantry**

Additionally, the municipal liquor store with the greatest number of pounds of donations for the month wins an additional \$1,000 donation to its food shelf courtesy of Miller/Coors and the MMBA! Anything the food shelf will accept is eligible to be counted, including, but not limited to: field produce, bottled water, canned goods, dry goods, and of course, cash donations (\$1.00 = 3 lb.). There will also be a random drawing for ten \$100 donations to food shelves of participating stores (other than the \$1,000 winner).

So bring in your donation to North Branch Liquors and help us fill our local food shelf. Collection bins are located in the store at North Branch Liquors, 5846 Old Main St, North Branch, MN. We are one block east of I35 and one block north of Hwy 95, right behind the Holiday Station. For more information, contact Deb or Mark at 651-674-4082.

***Thank you for supporting your local food shelf!***
